## Precipitate Saddened by Passing of Director, Gary Freeman

Vancouver, B.C. – February 15, 2018 - **Precipitate Gold Corp.** (the “Company” or “Precipitate”) (TSXV: PRG) announces today, with great regret, the sudden death of one of the Company’s founding Directors, Mr. Gary Freeman.

Gary was a prolific venture capital financier, a company builder, a former stock broker, and a promoter in the very best sense of the word. He contributed to the success of many Canadian listed issuers and played an important role as a Director of Precipitate. Gary was known for his unique brand of charm and sense of humour. At the time of his passing, Gary was President and CEO of Ethos Gold Corp. and a Director of other listed companies. Gary enjoyed a long and successful career in the capital markets, most notably as the President and Chief Executive Officer of Pediment Gold Corp. from 2005 to 2011, where he was responsible for raising funds and executing certain exploration campaigns that would lead to the discovery of the San Antonio deposit, the purchase of the La Colorada mine, and the eventual sale of Pediment to Argonaut Gold Inc. for approximately \$140 million.

Jeffrey Wilson, Precipitate’s President and CEO commented, "It is with great sadness and regret that we announce the passing of our friend and colleague, Gary Freeman. As a founding Director of the Company, Gary’s input and contributions to the Company were invaluable. The Board of Directors, management and staff of Precipitate Gold are indebted to Gary for his significant contributions to the Company. Gary leaves behind many grateful colleagues and good friends and his unique and loveable character will be greatly missed. Our thoughts are with Gary’s wife and family at this very difficult time."
